

The Test Adaptation Reporting Standards (TARES) Checklist

Category	ID	Checklist item
Title and abstract	1a	Title
	1b	Abstract
Introduction	2a	The test
	2b	Intended population
	2c	Purpose and intended use
	2d	Copyright
	2e	Need for adaptation
	2f	Appropriateness of adaptation
	2g	Coverage of adaptation
	2h	Likelihood of biases
Methods <i>Translation</i>	3a	Translators
	3b	Translation design
	3c	Similarity and suitability of test components
<i>Materials</i>	4a	Test stimuli
	4b	Instructions and scoring rubrics
	4c	Test manual
	4d	Test reports
	4e	Training materials
	4f	Testing conditions
<i>Participants/Sample</i>	5a	Sample size
	5b	Sample collection procedure
	5c	Sample composition
	5d	Sample relevance
Results <i>Equivalence</i>	6a	Construct equivalence
	6b	Method equivalence
	6c	Item equivalence
	6d	Limits of equivalence
	6e	Solutions for non-equivalence
	<i>Reliability</i>	7a
<i>Validity</i>		8a
	8b	Validity evidence based on test content
	8c	Validity evidence based on response processes
	8d	Validity evidence based on internal structure
	8e	Validity evidence based on relations to other variables
	8f	Validity evidence based on testing consequences
<i>Norms</i>	9a	Norming procedure
	9b	Norm tables
Discussion	10a	Practical relevance
	10b	Theoretical relevance
	10c	Limitations
	10d	Future research
Supplementary	11a	Registration
	11b	Funding
